

## Curriculum Vitae

**Full name:** OMAR HAMID ABED MOHSIN

**Date of birth:** 1 – 1 - 1987

**Certification:** master's degree                      **Date obtained:** 24–8-2021

**General specialty:** Methods of teaching science

**Detailed specialty:** Methods of teaching science

**Academic title:** Assistant Lecturer   **The date it was obtained:** 24–8-2021

**Number of years in higher education:** 8 years

**Number of years outside higher education:**

**Email:** omarhamid@uodiyala.edu.iq

**Awarding body for the bachelor's degree:** Diyala University / College of Education for Pure Sciences

**obtaining it:** 6 – 8 - 2009

**Awarding body for the master's degree:** Diyala University / College of Basic Education

**obtaining it:** 24–8-2021

**Master's thesis title:** Content analysis of middle school science books through the dimensions of sustainable development

### Jobs he held:

S	Workplace	Function	period from - to
1	Diyala University College of Education for Pure / Sciences	rapporteur of the Department of Biology	2021 - 9 – 13

**Universities or institutes where he studied.**

<b>S</b>	<b>Entity (university / college / (institute</b>	<b>period from - to</b>	<b>Notes</b>
1	Diyala University College of / Education for Pure Sciences	2021	Until now

**The courses he participated in and conducted.**

<b>s</b>	<b>Course title</b>	<b>place</b>	<b>year</b>
1	2nd Virtual International Conference on COVID-19: Containment and Living with	University of Kufa	2020
2	Best practices for outstanding educational performance	Arab Education Bureau for the Gulf States/ Expo United Arab /2020 Emirates	2021
3	Preparing and writing scientific research for high diploma and fourth stage students	University of Diyala / College of Education for Pure Sciences	2022
4	University student rights and duties for first year students	University of Diyala / College of Education for Pure Sciences	2022
5	Guidance meeting with first-year students	University of Diyala / College of Education for Pure Sciences	2022
6	Employing augmented, virtual and blended reality technologies in classrooms	Arab Bureau of Education for the Gulf States	2022
7	How to prepare your manuscript	Elsevier Researcher Academy	2021
8	Bloom cultivar	Diyala University / Continuing Education Division	2021
9	Visual thinking and teaching strategies	University of Diyala / College of Basic Education	2021
10	Requirements and requirements for integrated education for first-year students	University of Diyala / College of Education for Pure Sciences	2022
11	and APA Documenting sources in IEEE	University of Diyala / College of Education for Pure Sciences	2022
12	Use some software that helps in writing scientific reports and research	University of Diyala / College of Education for Pure Sciences	2022

13	Scientific research plan in university theses and dissertations	University of Diyala / General Secretariat of the Central Library	2022
14	Using body language while presenting the lecture to university professors	University of Diyala / General Secretariat of the Central Library	2022

**Research projects in the field of specialization for community service and education development**

S	Research Title	Publisher's place	year
1	The effect of using SWOM strategy for achievement second grade intermediate students' attainment in students of biology.	Diyala Journal for Human Research / Iraq	2019
2	The degree to which students of the second intermediate grade possess the principles of self-organized learning and its relationship to their need for knowledge in science from their point of view.	Humanities and Educational Sciences Journal / Yemen	2023

**International journals in which he has published:**

S	journal name	The state	Research Title	The number it was published in	year
1	Humanities and Educational Sciences Journal	Published	The degree to which students of the second intermediate grade possess the principles of self-organized learning and its relationship to their need for knowledge in science from their point of view.	No. 31	2023

**Membership of local and international scientific bodies and societies)**

**Creations or activities for which he won (awards - certificates of appreciation - thank you books)**

<b>S</b>	<b>type of activity or creativity</b>	<b>What he received (awards - certificates of appreciation - thank you books(</b>	<b>Donor</b>	<b>The title of the activity or creativity</b>	<b>year</b>
1	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	143	2015
2	Success of a science exhibition	A letter of thanks and appreciation	College of Education for Pure Sciences	1237	2015
3	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	58	2016
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	421	2016
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	596	2016
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	1709	2016
	Chairman of the Citizen E-Government Program Action Committee	A letter of thanks and appreciation	College of Education for Pure Sciences	2848	2016
	Preparing the symposium "E-learning in "practice	A letter of thanks and appreciation	College of Education for Pure Sciences	3117	2016
	Preparing and completing the student guidebook	A letter of thanks and appreciation	College of Education for Pure Sciences	4205	2016

	computer maintenance	A letter of thanks and appreciation	College of Education for Human Sciences	2523	2017
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	1728	2017
	Closing the exam books	A letter of thanks and appreciation	College of Education for Pure Sciences	2192	2017
	Completing the procedures for creating postgraduate studies	A letter of thanks and appreciation	College of Education for Pure Sciences	3619	2017
	Participation in the Diyala University parade	A letter of thanks and appreciation	Presidency of Diyala University	14205	2017
	Participation in the Diyala University parade	A letter of thanks and appreciation	College of Education for Pure Sciences	3918	2017
	Obtaining first place in working on the e-government program	A letter of thanks and appreciation	College of Education for Pure Sciences	3927	2017
	Closing the exam books	A letter of thanks and appreciation	College of Education for Pure Sciences	2797	2018
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	3381	2018
	Getting work done	A certificate of appreciation	College of Education for Pure Sciences		2018
	Continuous cooperation	A letter of thanks and appreciation	College of Education for Human Sciences	15224	2018
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	3	2019

	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	1565	2019
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	1888	2019
	Commitment and discipline	A letter of thanks and appreciation	College of Education for Pure Sciences	4004	2021
	Completion of the life sciences department's exhibition work	A letter of thanks and appreciation	College of Education for Pure Sciences	1494	2022
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	1498	2022
	Success of the annual spring science exhibition	A letter of thanks and appreciation	Presidency of Diyala University	6759	2022
	Completing the work of the postgraduate studies conference	A letter of thanks and appreciation	College of Education for Pure Sciences	2475	2022
	Getting work done	A letter of thanks and appreciation	College of Education for Pure Sciences	314	2023
	Completion of a master sheet audit in the Life Sciences Department	A letter of thanks and appreciation	College of Education for Pure Sciences	530	2023

**Writing and translation ( )**

**The languages he speaks.**

- Arabic
- English

### **Contributions to community service:**

- 1- Painting and rehabilitating the chemical warehouse according to .Administrative Order 5081 dated 12/20/2021
- 2- Establishing an aluminum cutter in the fungi laboratory to become a room for preparing models and conducting scientific experiments .according to Administrative Order 5082 on 12/20/2021
- 3- Launching an awareness campaign to combat smoking and drugs under the title "Your Life Matters to Us," according to Administrative .Order 1667 on 5/8/2022
- 4- Creating awareness posters and brochures about AIDS under the slogan "Generations Without AIDS" according to Administrative Order .on 12/15/2022 5073
- 5- Purchasing a dissecting microscope for the animal laboratory .according to Administrative Order 5074 on 12/15/2022
